8 Plaintiff,

9 v.

10 SPECIALIZED LOAN SERVICING, LLC
11 and AVAIL 1 LLC,

12 Defendants.

Case No. C17-1752 MJP

ORDER AFFIRMING JUDGE
PECHMAN'S DENIAL OF MOTION TO
RECUSE

13 THIS MATTER comes before the Court on Plaintiff's Motion for Recusal. Dkt. #14. On
14 February 5, 2018, U.S. District Judge Marsha J. Pechman declined to recuse herself. Dkt. #17. In
15 accordance with the Local Rules of this District, the matter was then referred to the Undersigned
16 for review. LCR 3(e).

17 In this bankruptcy appeal, Plaintiff seeks the recusal of Judge Pechman on the basis that
18 she denied his motion to stay the enforcement of judgment pending appeal, and he believes her
19 order was in error and "not thorough." Dkt. #14 at 2. He further asserts that Judge Pechman failed
20 to view his *pro se* pleadings under the liberal standard that should have been afforded to him. *Id.*
21 at 3.

22 Pursuant to 28 U.S.C. § 455(a), a judge of the United States shall disqualify him- or herself
23 in any proceeding in which his impartiality "might reasonably be questioned." Federal judges also
shall disqualify themselves in circumstances where they have a personal bias or prejudice

1 concerning a party or personal knowledge of disputed evidentiary facts concerning the proceeding.
2 28 U.S.C. § 455(b)(1).

3 Under both 28 U.S.C. §144 and 28 U.S.C. § 455, recusal of a federal judge is appropriate
4 if “a reasonable person with knowledge of all the facts would conclude that the judge’s impartiality
5 might reasonably be questioned.” *Yagman v. Republic Insurance*, 987 F.2d 622, 626 (9th
6 Cir.1993). This is an objective inquiry concerned with whether there is the appearance of bias, not
7 whether there is bias in fact. *Preston v. United States*, 923 F.2d 731, 734 (9th Cir.1992); *United*
8 *States v. Conforte*, 624 F.2d 869, 881 (9th Cir.1980). In *Liteky v. United States*, 510 U.S. 540
9 (1994), the United States Supreme Court further explained the narrow basis for recusal:

10 [J]udicial rulings alone almost never constitute a valid basis for a bias or
11 partiality motion. . . . [O]pinions formed by the judge on the basis of facts
12 introduced or events occurring in the course of the current proceedings, or of
13 prior proceedings, do not constitute a basis for a bias or partiality motion
14 unless they display a deep seated favoritism or antagonism that would make
fair judgment impossible. Thus, judicial remarks during the course of a trial
that are critical or disapproving of, or even hostile to, counsel, the parties, or
their cases, ordinarily do not support a bias or partiality challenge.

15 *Id.* at 555.

16 In the instant motion, Plaintiff fails to allege any facts or behavior by the Court
17 demonstrating bias towards him. A review of the rulings in this matter reveals no Orders that in
18 any way give rise to an inference of bias. Therefore, the Court finds no evidence upon which to
19 reasonably question Judge Pechman’s impartiality and AFFIRMS her denial of Plaintiff’s request
20 that he recuse herself.

21 //

22 //

23 //

1 The Clerk SHALL provide copies of this Order to Plaintiff, all counsel of record, and to
2 Judge Pechman.

3 DATED this 16th day of February 2018.
